

Hospice and PASRR in Texas

The PASRR policy regarding individuals entering the Nursing Facility under Hospice care or receiving Hospice care after admission to a Nursing Facility:

Individual is admitted from Hospital to NF under Hospice Care:

Responsible Party	Action Needed
Hospital	Completes the PL1 as Expedited/Terminally Ill
NF	Enters the PL1 into portal
LA/LMHA	Completes the PE for Positive PL1
LA/LMHA	If PE is positive: D1100 of PE should be marked "yes" for Hospice, add note to PE, "Not eligible for PASRR services due to the enrollment in Hospice." No IDT is required

Individual is admitted from home to NF under Hospice Care:

Responsible Party	Action Needed
Hospice Provider	Completes the PL1 as Preadmission
NF	Enters Negative PL1 into portal
Hospice Provider	Faxes Positive PL1 to LA/LMHA
LA/LMHA	Enters Positive PL1 into TMHP portal
LA/LMHA	Completes the PE for Positive PL1
LA/LMHA	If PE is positive: D1100 of PE should be marked "yes" for Hospice, add note to PE, "Not eligible for PASRR services due to the enrollment in Hospice." No IDT is required

Individual is admitted to NF for respite while under Hospice Care:

Responsible Party	Action Needed
Hospice Provider	Completes the PL1 as Expedited Admission/Respite
NF	Enters PL1 into portal
NF	Enters discharge information on sections B0650 and B0655 of the PL1 if individual leaves or passes away before the respite period expires (14 days).

LA/LMHA	Completes PE for Positive PL1 if individual remains in the NF longer than 14 days (alert will be sent)
LA/LMHA	If PE is positive: D1100 of PE should be marked "yes" for Hospice, add note to PE, "Not eligible for PASRR services due to the enrollment in Hospice." No IDT is required

PASRR Positive Individual is admitted from NF to Hospice:

Responsible Party	Action Needed
LA/LMHA	Reviews records on visits to check for change in status(Hospice)
LA/LMHA	Add note to PE, "Not eligible for PASRR services due to the enrollment in Hospice."
LA/LMHA	Conduct SPT meeting and submit changes to remove any Specialized Services on form 1014.
NF	Submit discharge on 3618/19
LA/LMHA	Contacts DADS PASRR at PASRR@dads.state.tx.us to request inactivation of the PL1

Individual is admitted from Hospice back to NF:

Responsible Party	Action Needed
Hospice	Completes the PL1 as Expedited/Convalescent Care
NF	Enters PL1 into the portal
LA/LMHA	Conducts PE for Positive PL1 and the process continues as usual.

For assistance with this process or for questions, please contact the DADS PASRR unit at: PASRR@dads.state.tx.us
