- Information Letter 17-22 was recently released by HHSC to notify nursing facility (NF) providers of the requirements for requesting durable medical equipment (DME) and customized manual wheelchairs (CMWC) through the Preadmission Screening and Resident Review (PASRR) program.
- [Information Letter No. 17-22 — Requesting Durable Medical Equipment and Customized Manual Wheelchairs through the Preadmission Screening and Resident Review Program](#)

3

New Enhancements

Effective September 30, 2017, The Long Term Care (LTC) Online Portal was updated to allow Nursing Facilities (NFs) to certify their ability to serve an individual on subsequent positive Preadmission Screening and Resident Review (PASRR) Evaluation (PE) submissions.

4

NEW ENHANCEMENTS

PASRR is working with TMHP to merge the IDT form with the PSS form.

This enhancement is in the beginning stages and more information will be provided as the project is finalized.

5

Changes To Chapter 19 BB

New rules were added and some rules were revised to Chapter 19 subchapter BB.

6

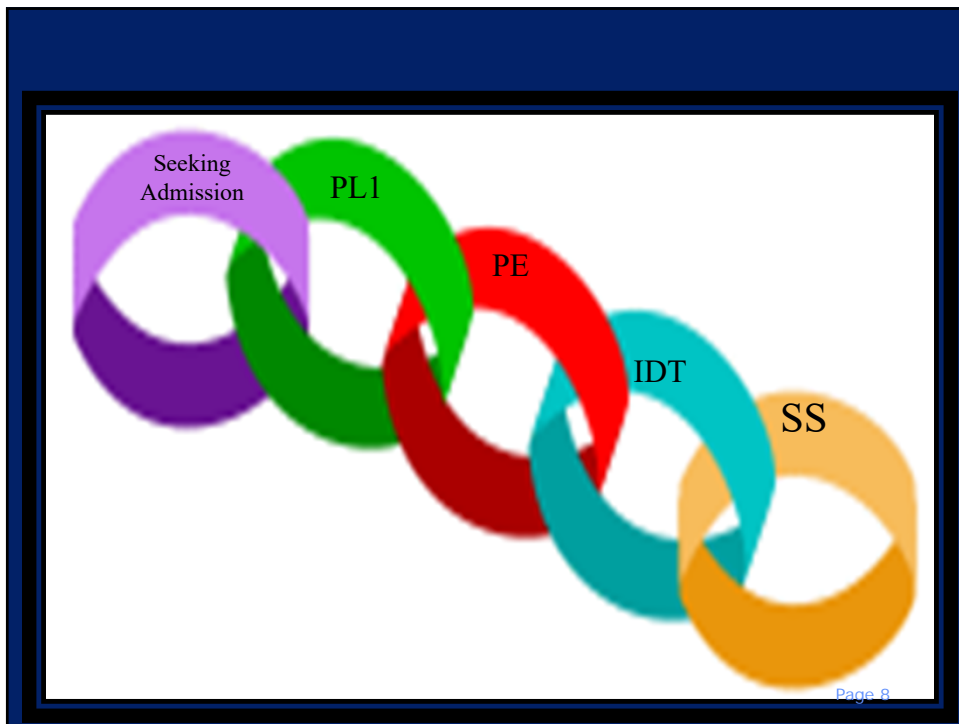

Preadmission

Any admission from the community that is not expedited or exempted (i.e.: psychiatric hospital, home, group home, assisted living)

- For positive Preadmissions only, the PL1 is faxed to the LMHA/LBHA/LIDDA who enters the PL1 into the LTC Online Portal.
- **Both** the PL1 and PE must be completed and entered into the LTC Online Portal **prior** to admission.
- NF reviews the PE and certifies on the PL1 if they are Able or Unable to serve the individual **prior** to admission

7

Training

New PASRR NF focused Computer Based Trainings (CBTs) are on the HHS website (URLs noted on the next slide).

- ❑ The training should be taken by anyone working directly with PASRR
- ❑ The training can be accessed at any time
- ❑ The CBTs tests user knowledge and offer certificates upon completion

9

Training - Cont'd
