Hot Topics

Certification

- ❑ NFs must indicate they can meet the individuals needs identified on the PE
- ❑ This indication is completed on the PL1 after a positive PE has been submitted
- ❑ An enhancement was developed to send two alerts to the NF to remind them to complete the certification requirement

TEXAS
Health and Human
Services

Didn't Certify?

What happens if you don't certify on the PL1 Section D part N?

PASRR Quality Monitoring staff will run reports showing cases where section D part N is blank and the individual appears to be in the NF.

Survey staff may cite facilities who have not completed the required certification.

TEXAS
Health and Human
Services

Didn't Certify or Admit?

What happens if you don't certify you can meet the needs or admit the individual on the PL1 section D parts N and O?

When the PL1 was submitted as a "Preadmission" type of admission, the NF accepting the individual must complete both sections D parts N and O.

TEXAS
Health and Human
Services

Didn't Certify or Admit Continued

Facilities may be cited for failure to certify.

After 90 days, if section D parts N and O have not been completed, the status of the PL1 will change to NF Placement Exhausted.

When this happens, the NF will not be able to submit requests for services using the NFSS process. The PL1, PE and IDT will have to be completed again.

TEXAS
Health and Human
Services

How do I certify/admit?

TMHP shows buttons on the yellow toolbar for the PL1.

When a positive PE has been submitted the "Able to Serve" and Unable to Serve" buttons will be available.

The NF should click on the appropriate button.

If "Able to Serve" is selected the "Admitted" selection will be available to allow you to enter a date in Section D part O.

Important Changes

Besides the new rules for PASRR specialized services some changes were made to RULE §19.2704 Nursing Facility Responsibilities Related to PASRR.

1. (7) submit a complete and accurate request for nursing facility specialized services in the LTC Online Portal within **20 business days** after the date of the IDT meeting;
2. (8) **start providing a therapy service within 3 business days after receiving approval from HHSC in the LTC Online Portal;**

TEXAS

Important Changes Continued

Rule 19.2754 concerning Requesting Authorization to Provide Durable Medical Equipment and Customized Manual Wheelchairs...

(d) After a nursing facility submits a request for authorization to provide DME or a CMWC to a designated resident:

(1) the nursing facility receives a written approval or denial of its request through the LTC Online Portal; and

(2) HHSC notifies the designated resident or the designated resident's LAR that the request has been approved or denied.

(e) If HHSC approves a request to provide DME or a CMWC to a designated resident, the nursing facility must order the DME or CMWC from a DME supplier within 5 business days after receiving notification of the approval through the LTC Online Portal.

(f) If HHSC denies a request to provide DME or a CMWC to a designated resident, the designated resident may request a fair hearing in accordance with 1 TAC Chapter 357, Subchapter A (relating to Uniform Fair Hearing Rules), to appeal the denial.

Reminders

The IDT

The IDT and your LTCMI are linked. Knowing when an IDT is needed, keeping the meeting dates current, inviting the required members and submitting the IDT form accurately and timely will help you to avoid citation and submit your LTCMI on time.

TEXAS
Health and Human
Services

Who Needs An IDT Meeting?

IDT meetings are required for individuals:

- with a confirmed positive PE and who are not enrolled in Hospice care
- regardless of their age or payor source

An IDT meeting must also be conducted for these individuals annually.

TEXAS
Health and Human
Services

IDT Members?

At a minimum the required members of the PASRR IDT are:

- The individual
- The Legally Authorized Representative (if applicable)
- The RN from the NF
- The LA staff as indicated by the individual's PASRR eligibility (IDD/MI)

TEXAS
Health and Human
Services

Invalid IDTs

If the required members are not in attendance (by phone or in person) and in the case of the individual or LAR, there is not documentation of efforts made to invite them, the IDT is considered invalid.

Federal Requirements instruct States as to who has to attend PASRR IDT meetings.

TEXAS
Health and Human
Services

LTCMI/IDT

What do you do when you try to submit your LTCMI but the system does not find an IDT current within the past 12 months?

- Is the individual discharged? If so, enter discharge in section B of the PL1 and submit the update.
- Is the date of the last IDT older than 12 months from the date of the LTCMI submission? Conduct an annual IDT

TEXAS
Health and Human
Services

LTCMI/IDT Continued

- Is there an IDT submitted for an individual who is still in your facility? If not, schedule the initial IDT.
- Do not conduct a meeting without the appropriate LA staff in attendance.
- Do not conduct a meeting without the RN from the NF in attendance.
- Do not record that the LA staff and/or the RN were in attendance if they were not there.

TEXAS
Health and Human
Services

SS Who Qualifies?

Individuals who qualify for PASRR Specialized Services:

- have a diagnosis of mental illness or an intellectual disability with onset before age 18 or developmental disability (related condition) with onset before age 22
- reside in a Medicaid-certified NF
- have a confirmed positive PARR Evaluation (PE)
- receive Medicaid
- are 21 years of age and older.

TEXAS
Health and Human
Services

Services on the IDT

The PASRR IDT form is to record PASRR specialized services only.

The slide before this one provides instruction on who qualifies for SS.

If someone does not have Medicaid or is younger than 21, the IDT meeting is still held. Use the comment box to record non-PASRR services.

TEXAS
Health and Human
Services

Preadmission

Any admission from the community that is not expedited or exempted (i.e.: psychiatric hospital, home, group home, assisted living, jail)

If the PL1 screening is negative:

- RE sends PL1 to NF with individual
- NF admits individual and submits PL1 into the LTC Portal

TEXAS
Health and Human
Services

Preadmission Continued

If the PL1 screening is positive:

- ❑ RE faxes PL1 to LA – this starts the 72 hour timer for the LA to meet face to face with the individual
- ❑ LA submits the PL1 into the LTC Portal
- ❑ LA completes and submits the PE into the LTC portal within 7 days
- ❑ NF reviews PE and certifies on the PL1 if they are Able or Unable to serve individual **before** the individual is admitted

TEXAS
Health and Human
Services

Referring Entities and PL1s

- ❑ Contact MI PASRR at pasrr@dshs.texas.gov if you encounter problems getting the PL1 on or before an admission from a hospital.
- ❑ Contact IDD PASRR at PASRR.Support@hhsc.state.tx.us if you encounter problems with non-hospital referring entities.

NF Responsibilities

The NF Responsibilities Checklist we have given out before has been revised.

Please see the handout provided by SimpleLTC.

This checklist can be used to check off requirements to make sure you are in compliance.

TEXAS
Health and Human
