Current Updates - Allowable Hours

Do telehealth services count for PBJ? During the pandemic, staff have worked from home - can work hours by MDS and Business Office staff working from home be included in PBJ?

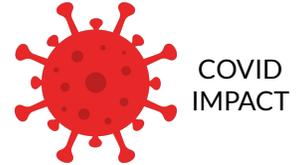

Telehealth hours for non-nursing staff may be included.

Telehealth hours for nursing staff may only be included in 40 Other Service Worker (Optional). **ALL nursing hours included in PBJ reporting MUST be worked on-site.**

Current Updates - Allowable Hours

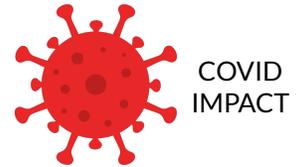

We had the National Guard in to cover shifts. How do I record that?

Hours worked by members of the National Guard or State strike teams deployed to facilities during the PHE can be reported in PBJ as long as the facility obtains a statement from FEMA or the State (a) verifying the staffing provided to the facility and (b) validating the hours reported by the facility for this additional staff.

Current Updates - Allowable Hours

Is the waiver for PCAs still in place? What about temporary staffing during COVID-19?

<https://www.cms.gov/files/document/summary-covid-19-emergency-declaration-waivers.pdf>

Waivers for (a) the Training and Certification of Nurse Aides and (b) In-Service Training are currently still in effect. If you want to include the hours of these temporary aides, you need to classify them as Nurse Aide in Training (PBJ Job Title 11). You cannot include their hours as Certified Nurse Aide (PBJ Job Title 10).

Back to Basics - Meal Breaks

What is the deal with lunch deductions? Do I have to record lunch deductions even if my employee didn't take lunch? Do I have to record lunch deductions for my exempt staff?

Meal breaks (paid or unpaid) shall not reported for any staff (exempt, nonexempt and/or contract). Facilities must deduct a meal break from each employee's daily hours. For each full shift that staff (exempt, nonexempt and/or contract) are paid to work, a 30 minute meal break must be deducted from their shift (whether or not the employee actually takes a meal break). **This means - at a minimum - one 30-minute break removed for every 8 hours worked.**

Back to Basics - Training Hours

Can I included training hours in PBJ? How do I code education hours?

Hours for staff who are attending training (either onsite or offsite) and are not available to perform their primary role (e.g., providing resident care) shall not be reported. Additionally, if another staff member fills in for the staff member participating in training, the hours for the staff member in training shall not be reported.

Back to Basics - MDS Nurse Hours

Can I include MDS nursing hours in PBJ?

MDS nursing hours worked onsite at the facility are generally included as RN with Administrative Duties or LPN/LVN with Administrative Duties.

RN w/ADMIN *definition*: Nurses (RN) who, as either a facility employee or contractor, perform the Resident Assessment Instrument function in the facility and do not perform direct care functions. Also include other RNs whose principal duties are spent conducting administrative functions. For example, the Assistant Director of Nursing is conducting educational/in-service.

LPN/LVN w/ADMIN *definition*: Those persons licensed to practice as licensed practical/vocational nurses in the State where the facility is located, and do not perform direct care functions. Also include other nurses whose principal duties are spent conducting administrative functions. For example, the LPN Charge Nurse is conducting educational/in-service, or other duties which are not considered to be direct care giving.

Back to Basics - Agency Hours

How do I record agency hours if they do not use the time clock?

- Hours worked recorded by the agency for payment by the facility
- Sign-in/sign out logs
- Contracted hours (non-nursing staff)

Back to Basics - Therapy Hours

Do therapy hours count in the Five Star staffing rating?

No, therapy hours are not currently used in the Five Star staffing calculation.
